

GCA REGISTRATION  
**Welcome!**

# Register your company on PRISMA

Go to [PRISMA](#) and register a new system user on the platform and choose **GCA** as your TSO.

If your company is already registered, your **shipper admin must add you as a new user** within your company. You can skip this step and go to the next slide.

The screenshot shows a registration wizard interface with a light blue background. At the top, the word "Registration" is written in a large, bold, dark blue font. Below this is a horizontal progress bar with five steps: "Start", "Company", "User", "Shipper", and "Terms". Each step is represented by a circle containing a number. The "Start" step (1) is highlighted with a dark blue circle, while the others are light blue. Below the progress bar, there is a text block explaining the wizard's purpose: "This wizard will guide you through the steps to register a new organisation on PRISMA platform. As the registrant you will become the first admin of the organisation. Other admins can be appointed later." This is followed by a list of required documents: "1. Your **Company Register Extract**" and "2. A signed **Power of Attorney**. Template of the document is located in [this article](#)". A note at the bottom states: "Your data is saved automatically during all steps of this registration wizard. You can pause and resume at any time or go back to previous steps to check or change data before you submit." A dark blue "Start" button is located in the bottom right corner of the wizard area.

# Log into CU Contracts & Allocation

You will receive an e-mail with a personalised link to your **CU** account

If the link expires, please use the general link to CU:

<https://cu.gasconnect.biz/login>

Dear Customer,

Thank you for choosing GAS CONNECT AUSTRIA GmbH on PRISMA.

Our **Capacity Utilization®** is used for the GAS CONNECT AUSTRIA **registration process** in order to get activated on PRISMA as well as for **capacity allocations**. Furthermore, it can be used to **surrender** capacity as well as for **FCFS bookings** in case of no PRISMA auctions.

In order to get access to the Capacity Utilization® please use the following link:

<https://cu.gasconnect.biz/cu>

If you have any further questions, please do not hesitate to contact your key account manager.
